

## Greening the Tourism Sector in Uganda

[www.greenttu.eu](http://www.greenttu.eu)

Funded by the  
European Union

SWITCH Africa Green Project  
EuropeAid/154589/DH/ACT/Multi  
Total Budget: 951.317€  
EU Contribution: 856.182€  
Duration: 01/02/2018 - 31/01/2021

The **objective** of the project is to boost the transformation of Uganda towards an inclusive green economy by enhancing the sustainability and competitiveness of a key sector for the country, as it is the Tourism Sector.

#### Partners

Throughout the 36-months, **the action aims:**

- To elaborate a practical guide with the Best SCP Practices for the MSMEs of the Tourist Accommodation Sector in Uganda and to implement Best SCP Practices in representative companies.
- To elaborate a practical guide for the implementation of EMS ISO 14001 in the MSMEs of the Tourist Accommodation Sector in Uganda and to implement Environmental Management Systems (EMS ISO 14001) in representative companies.
- To foster sustainable consumption by consumer awareness raising campaigns.
- To support MSMEs of the Tourist Sector on an eco-labelling scheme.
- To enable policy environments for SCP.
- To link MSMEs to financial institutions.
